# New! DROP-IN DigiDop™ DOPPLER CHARGING BASE

## SIGNIFICANT SAVINGS

- Our premium rechargeable batteries replace 2100 standard batteries
- Eliminates major hidden costs of someone regularly replacing batteries
- Rechargeable batteries included in our world's best 5 year warranty

## ALWAYS READY WHEN YOU ARE

- Batteries are always fully charged – won't overcharge

## REDUCE YOUR HAZARDOUS WASTE

- Disposal of batteries is a real concern  
– **California says it is a serious crime to dispose of any battery in the trash or standard recycling – must be certified.**
- Recycling Rebate: Purchase a new Newman rechargeable Doppler and send us your old one. We will recycle it at a certified center and send you a rebate! \$75 on a DD-701 or \$25 on a DD-301.
